Waterproof and breathable sole structure drawing as submitted in EP application no. 89121612.9. Patents. Mr. Polegato's technology consists of three different components: a perforated inferior component called the outsole, a superior perforated component called the mid-sole and a third component (the "membrane"), which is positioned between the outsole and the mid-sole, and that is ...

Breathable Shoes: Branding Success through Patenting

Of course, just because the Marks & Spencer brand is committed to its mission of "making every moment special", doesn't mean that the company hasn't opened itself up to change over the years. Like any brand in the world today, the M&S brand has evolved with the needs and expectations of its customers.
