Since 2015, the Department of Defense's (DOD) progress in improving its financial management processes and operations has been mixed. Without reliable, useful, and timely financial information, DOD is severely hindered in making sound decisions affecting the department's operations.

U.S. GAO - High Risk: DOD Financial Management

For the better part of a decade, strategy has been a business buzzword. Top executives ponder strategic objectives and missions. Managers down the line rough out product/market strategies. Functional chiefs lay out "strategies" for everything from R&D to raw-materials sourcing and distributor relations. Mere planning has lost its glamor; the planners have all turned into [!]
