An employee stock ownership plan (ESOP) is an employee-owner program that provides a company's workforce with an ownership interest in the company. In an ESOP, companies provide their employees with stock ownership, often at no upfront cost to the employees. ESOP shares, however, are part of employees' remuneration for work performed. Shares are allocated to employees and may be held in an ESOP ...

Over the past two years, state legislators across the country have launched an unprecedented series of initiatives aimed at lowering labor standards, weakening unions, and eroding workplace protections for both union and non-union workers. This policy agenda undercuts the ability of low- and middle-wage workers, both union and non-union, to earn a decent wage.
